House Pet

This pet comes in adorable colors, and has the wiry texture of a terrier puppy.

Finer Things

Reminiscent of a Berber, this hardwearing design is great for rooms with heavy traffic. Each tile has subtle differences, giving the rug a seamless look.

Fedora

A classic style, made with post-consumer recycled content like plastic bottles. It's a good value and looks dapper in any room.

Fully Barked

Deep ridges of velvet in earthy shades make a rug that is both durable and attractive.

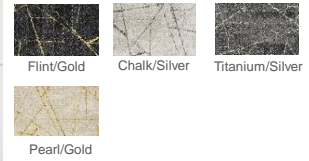

Tweed Indeed

Elegant, understated and rich. This classic tweed pattern is similar in look and feel to a flat weave rug.

Chasing Pavement

For a sophisticated pattern that pops, dress up your room in our favorite neutral—metallic

Basket Case

With the turn of a tile, create a variety of looks from subtle to sophisticated, using this diagonal pattern.

Tuxedo Pocket

Like the grooves in a vinyl record, this rug shows its very subtle hatchings with style. Reminiscent of classic mid-century design, it has confidence and swank without being showy.

Doe Re Mi

Where classic and contemporary come together. This antelope pattern blends beautifully for a smooth and seamless look

Mica

Chenille Charade

The rich, over-dyed colors are inspired by traditional Persians rugs but you won't have to worry about walking, cooking or living on them. Easy to clean, easy to change, easy to love.

Cut Corners

Subtle diamonds. Subtle colors. Sometimes two subtleties make a look that's oh so right. Bring it into a space for a modern, polished vibe that won't be overlooked.

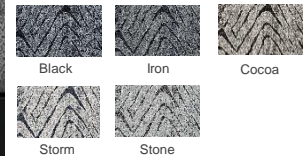

Reoriented

A remix that looks to classic Oriental rugs as inspiration, it deconstructs and then reinvents the original with interesting colors, surprising arrangements and a laid back vibe.

Shadow Hills

A graphic moire pattern reminiscent of natural movements of wood veining. This patterning offers a sense of flowing eye-catching movement. When put together as a rug it has an all-over ripple pattern that goes in different directions to give it a seamless abstract look.

Skyfall

Shoot for the stars and give your space the Mid-Century treatment with a vintage-inspired rug design reflective of a sparkling night sky. Available in three rich hues.

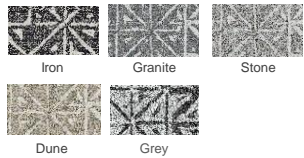

Mined And Yours

Glam looks and modern design are in sync and in style. This metallic is still manufactured sustainably and made to shimmer.

Yabara

Named for a West African welcome dance, we love this durable, organic, tribal styles and hope everyone dances on it.

Vintage Vibe

Our modern take on traditional Moroccan Beni Ourain rugs. The diamond pattern features subtle, natural imperfections to honor the ancient weaving technique it mimics.

Suit Yourself

Get the distinctive look of sisal with a subtle herringbone pattern using our nature-inspired neutral color palette.

Coming Along

Natural fiber baskets are the simplest of vessels made by hand, each unique. Like the vessels that inspired it, Coming Along can be used just about anywhere. Edges are beveled.

Roadside Attraction

Soft and inviting, but also extremely durable. Turn a square to create a chevron or diamond pattern and dial up your design.

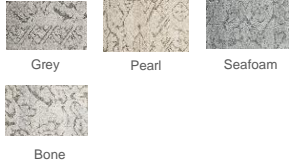

It's Snow Problem

This multi-level loop style is a quiet delight any time of year. Makes a great area rug for the comfort and traffic of living rooms and dens.

La-Di-Da

Inspired by vintage oriental rugs, this soft, washed look pair well with Fret Me Not

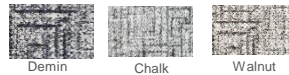

Twist n' Twine

Finally, a sisal look without the fuss. This woven diamond pattern is plush to the touch and easy to care for.

Winston

A playful way to get the trendy tailored look and bring in some color.

Lilting

Designed to capture the image of sound rippling over a still body of water. The intriguing combination is texturally complex and visually stunning.

Asteria

This floral pattern can feel surprisingly masculine in the right space, like a French royal heirloom. Still undeniably soft and pretty, this is sure to be an instant classic that works with so many styles and looks gorgeous on its own.

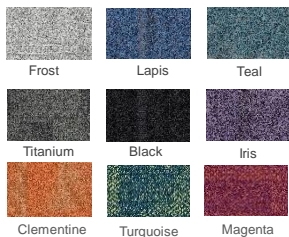

Lapis

Antique Minx

Two-toned, dual-texture eye-catcher. The rich colors and vintage touch are even better in person.

Like Minded

Super cherry and equally cozy, it's a rug that pair well with other thicker styles and creates a charming area rug on its own.

Electric Avenue

Jewel-toned patterns make a bold yet elegant statement. Add the perfect pop of color to any room when you rock down to this vibrant design.

Urban Nature Down To Earth

Urban Nature and Down To Earth were designed to mimic the natural gradients seen on moss-covered cliffs by seashore. They look stunning together and also make for more subtle looks on their own.

Cambium

Clever camouflage patterning in unexpected, acid-bright color combinations designed to keep messes artfully hidden.

Remembrance

Get a hint of vintage with this distressed pattern and rich colors. This style looks beautifully subtle on its own and really sings in a patchwork with other distressed styles.

Collins Cottage

This classic houndstooth pattern will perfectly complement any space and décor. It's like giving you father's favorite old blazer a vibrant new life.

Scottish Sett

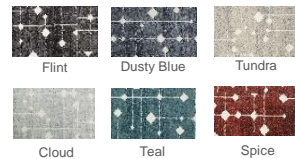

An elegant, traditional plaid with pops of color to give this classic pattern a modern twist.

Hollin Hills

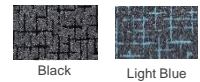

This vintage-inspired area rug is reminiscent of an iconic design of the fifties: the Nelson Ball Clock.

Add a touch of Mid-Century modernism and transform any room with this retro-style rug.

Top Hat

The crosshatch pattern creates a visual expression that pops- in bright colors or classic black- playful enough for kid's but elegant enough for a living room.

Biscayne Breeze

What's not to love about chic palm prints? The bold graphic instantly adds personality to a space. And when wanderlust beckons, palms are the perfect answer.

Tyed Over

The classic ikat gets a modern update.
